## EXCLUSIONS AND LIMITATIONS

- Important Information about Guardian's DentalGuard Indemnity and DentalGuard Preferred PPO plans: This policy provides dental insurance only. Coverage is limited to those charges that are necessary to prevent, diagnose or treat dental disease, defect, or injury. Deductibles apply. The plan does not pay for: oral hygiene services (except as covered under preventive services), orthodontia (unless expressly provided for), cosmetic or experimental treatments (unless they are expressly provided for), any treatments to the extent benefits are payable by any other payor or for which no charge is made, prosthetic devices unless certain conditions are met, and services ancillary to surgical treatment. The plan limits benefits for diagnostic consultations and for preventive, restorative, endodontic, periodontic, and prosthodontic services. The services, exclusions and limitations listed above do not constitute a contract and are a summary only. The Guardian plan documents are the final arbiter of coverage. Contract # GP-1-DG2000 et al.
- **PPO and or Indemnity Special Limitation:** Teeth lost or missing before a covered person becomes insured by this plan. A covered person may have one or more congenitally missing teeth or have lost one or more teeth before he became insured by this plan. We won't pay for a prosthetic device which replaces such teeth unless the device also replaces one or more natural teeth lost or extracted after the covered person became insured by this plan. # Dental Maximum Rollover<sup>®</sup>

## Save Your Unused Claims Dollars For When You Need Them Most

Guardian will roll over a portion of your unused annual maximum into your personal Maximum Rollover Account (MRA). If you reach your Plan Annual Maximum in future years, you can use money from your MRA. To qualify for an MRA, you must have a paid claim (not just a visit) and must not have exceeded the paid claims threshold during the benefit year. Your MRA may not exceed the MRA limit. You can view your annual MRA statement detailing your account and those of your dependents on [www.GuardianAnytime.com](http://www.GuardianAnytime.com).

*Please note that actual maximum limitations and thresholds vary by plan. Your plan may vary from the one used below as an example to illustrate how the Maximum Rollover functions.*

Plan Annual Maximum*	Threshold	Maximum Rollover Amount	In-Network Only Rollover Amount	Maximum Rollover Account Limit
\$2000	\$800	\$400	\$600	\$1500
Maximum claims reimbursement	Claims amount that determines rollover eligibility	Additional dollars added to Plan Annual Maximum for future years	Additional dollars added to Plan Annual Maximum for future years if only in-network providers were used during the benefit year	Plan Annual Maximum plus Maximum Rollover cannot exceed \$3,500 in total

\* If a plan has a different annual maximum for PPO benefits vs. non-PPO benefits, (\$1500 PPO/\$1000 non-PPO for example) the non-PPO maximum determines the Maximum Rollover plan.

### Here's how the benefits work:

**YEAR ONE:** Jane starts with a \$2000 Plan Annual Maximum. She submits \$150 in dental claims. Since she did not reach the \$800 Threshold, she receives a \$400 rollover that will be applied to Year Two.

**YEAR TWO:** Jane now has an increased Plan Annual Maximum of \$2,400. This year, she submits \$50 in claims and receives an additional \$400 rollover added to her Plan Annual Maximum.

**YEAR THREE:** Jane now has an increased Plan Annual Maximum of \$2,800. This year, she submits \$2,500 in claims. All claims are paid due to the amount accumulated in her Maximum Rollover Account.

**YEAR FOUR:** Jane's Plan Annual Maximum is \$2,300 (\$2,000 Plan Annual Maximum + \$300 remaining in her Maximum Rollover Account).

For Overview of your Dental Benefits, please see About Your Benefit Section of this Enrollment Booklet.

### NOTES:

You and your insured dependents maintain separate MRAs based on your own claim activity. Each MRA may not exceed the MRA limit.

Cases on either a calendar year or policy year accumulation basis qualify for the Maximum Rollover feature. For calendar year cases with an effective date in October, November or December, the Maximum Rollover feature starts as of the first full benefit year. For example, if a plan starts in November of 2013, the claim activity in 2014 will be used and applied to MRAs for use in 2015.

Under either benefit year set up (calendar year or policy year), Maximum Rollover for new entrants joining with 3 months or less remaining in the benefit year, will not begin until the start of the next full benefit year. Maximum Rollover is deferred for members who have coverage of Major services deferred. For these members, Maximum Rollover starts when coverage of Major services starts, or the start of the next benefit year if 3 months or less remain until the next benefit year. (Actual eligibility timeframe may vary. See your Plan Details for the most accurate information.)

Guardian's Dental Insurance is underwritten and issued by The Guardian Life Insurance Company of America or its subsidiaries, New York, NY. Products are not available in all states. Policy limitations and exclusions apply. Optional riders and/or features may incur additional costs. Plan documents are the final arbiter of coverage.

†††The VSP system considers contact lenses to be the equivalent of a full pair of eyeglasses (lenses and frames) so while the member can obtain contact lenses one year and standard eyeglass lenses the next year, the frames benefit would not be available until 24 months or two calendar years, depending on the plan design, after the date the member obtained the contact lenses.

This is only a partial list of vision services. Your certificate of benefits will show exactly what is covered and excluded.

\*\* For the discount to apply your purchase must be made within 12 months of the eye exam.

For VSP, only charges for an initial purchase can be used toward the material allowance. Any unused balance remaining after the initial purchase cannot be banked for future use. The only exception would be if a member purchases contact lenses from an out of network provider, members can use the balance towards additional contact lenses within the same benefit period.

Effective: 9/23/2013

This Notice of Privacy Practices describes how Guardian and its subsidiaries may use and disclose your Protected Health Information (PHI) in order to carry out treatment, payment and health care operations and for other purposes permitted or required by law.

Guardian is required by law to maintain the privacy of PHI and to provide you with notice of our legal duties and privacy practices concerning PHI. We are required to abide by the terms of this Notice so long as it remains in effect. We reserve the right to change the terms of this Notice of Privacy Practices as necessary and to make the new Notice effective for all PHI maintained by us. If we make material changes to our privacy practices, copies of revised notices will be made available on request and circulated as required by law. Copies of our current Notice may be obtained by contacting Guardian (using the information supplied below), or on our Web site at: [www.GuardianLife.com/PrivacyPolicy](http://www.GuardianLife.com/PrivacyPolicy)

### **What is Protected Health Information (PHI):**

PHI is individually identifiable information (including demographic information) relating to your health, to the health care provided to you or to payment for health care. PHI refers particularly to information acquired or maintained by us as a result of your having health coverage (including medical, dental, vision and LTC coverage).

### **In What Ways may Guardian Use and Disclose your Protected Health Information (PHI):**

Guardian has the right to use or disclose your PHI without your written authorization to assist in your treatment, to facilitate payment and for health care operations purposes. There are certain circumstances where we are required by law to use or disclose your PHI. And there are other purposes, listed below, where we are permitted to use or disclose your PHI without further authorization from you. Please note that examples are provided for illustrative purposes only and are not intended to indicate every use or disclosure that may be made for a particular purpose.

#### Guardian has the right to use or disclose your PHI for the following purposes:

Treatment. Guardian may use and disclose your PHI to assist your health care providers in your diagnosis and treatment. For example, we may disclose your PHI to providers to supply information about alternative treatments.

Payment. Guardian may use and disclose your PHI in order to pay for the services and resources you may receive. For example, we may disclose your PHI for payment purposes to a health care provider or a health plan. Such purposes may include: ascertaining your range of benefits; certifying that you received treatment; requesting details regarding your treatment to determine if your benefits will cover, or pay for, your treatment.

Health Care Operations. Guardian may use and disclose your PHI to perform health care operations. For example, we may use your PHI for underwriting and premium rating purposes.

Appointment Reminders. Guardian may use and disclose your PHI to contact you and remind you of appointments.

Health Related Benefits and Services. Guardian may use and disclose PHI to inform you of health related benefits or services that may be of interest to you.

For example, a plan may contact us regarding benefits, service or coverage issues. We may also disclose summary health information about the enrollees in your group health plan to the plan sponsor so that the sponsor can obtain premium bids for health insurance coverage, or to decide whether to modify, amend or terminate your group health plan.

#### Guardian is required to use or disclose your PHI:

- To you or your personal representative (someone with the legal right to act for you);
- To the Secretary of the Department of Health and Human Services, when conducting a compliance investigation, review or enforcement action; and
- Where otherwise required by law.

#### Guardian is Required to Notify You of any Breaches of Your PHI.

Although Guardian takes reasonable, industry-standard measures to protect your PHI, should a breach occur, Guardian is required by law to notify affected individuals. A breach means the acquisition, access, use, or disclosure of PHI in a manner not permitted by law that compromises the security or privacy of the PHI.

#### Other Uses and Disclosures.
