Can you afford the
out-of-pocket costs
not covered by your
health insurance?

How will you cover all of your medical expenses?

As major medical plans move toward larger deductibles and higher co-payments, you may be left with more gaps to fill.

Benefits of this plan include:

The following benefits are payable due to a covered accident or covered sickness:

● **Hospital Confinement Benefit**

Pays a lump-sum benefit if any covered person is confined. This benefit can help you pay for the deductibles associated with a hospital confinement.

● **Rehabilitation Unit Benefit**

Pays \$100 per day up to 15 days per confinement with no more than 30 days per calendar year if any covered person is transferred to a rehabilitation unit immediately after a period of hospital confinement.

It is, therefore, important that you READ YOUR POLICY CAREFULLY.

Renewability. Your policy is guaranteed renewable as long as you pay the premiums when they are due or within the grace period. The premium can be changed only if we change it on all policies of this kind in force in the state where the policy was issued.

Benefits

Hospital Confinement Benefit Amount: \$_____ per confinement We will pay this benefit if any covered person incurs charges for and is confined due to a covered accident or covered sickness. The confinement to a hospital must begin while the policy is in force. We will pay this benefit once per confinement. If a covered person is confined and is discharged and confined again for the same or related condition within 90 days of discharge, we will treat this later confinement as a continuation of the previous confinement. Waiver of Premium Benefit After you have been confined to a hospital due to a covered accident or covered sickness for more than 30 continuous days while the policy is in force, we will waive the premium for the policy and any attached riders for as long as you remain confined to a hospital or rehabilitation unit. You must pay all premiums to keep the policy and any attached rider(s) in force until you have been confined to a hospital for more than 30 continuous days and the waiver becomes effective. You must send us written notice as soon as you are no longer confined to a hospital or rehabilitation unit. We will assume you are no longer confined to a hospital or rehabilitation unit if:

- You do not send us satisfactory proof of loss when we request it; or
- You notify us that you are no longer confined to a hospital or rehabilitation unit.

You must pay all premiums to keep the policy in force beginning with the first premium due after you are no longer confined to a hospital or rehabilitation unit. The Waiver of Premium Benefit does not apply to any period that you are confined to a hospital or rehabilitation unit due to an accident, sickness or condition which is excluded by name or specific description. This benefit does not apply to your spouse or to your children. We will waive premiums only if you, the named insured, are confined to a hospital for more than 30 continuous days.
